Ulead Video Studio Plus Easy & Powerful Video Editing + DVD Authoring All the editing and authoring tools found in the standard version, PLUS unique and powerful features including full HD DVD authoring, AVCHD support, Dolby Digital 5.. Other functions of this program that are worth highlighting are the capacity to record music from the in-put line or microphone in real-time, the option to export our project to a DVD, adapt the project for mobile devices or to host it over Internet, and native support for DV cameras, that makes it a lot easier to work with the videos that we have recorded.
